

# Aditya Singh

Salesforce Developer | Apex | LWC | Integrations | OmniStudio | AI Automation  
adityasinghmmut@gmail.com | +91-9532019248 | [LinkedIn](#) | [Portfolio](#)

## PROFESSIONAL SUMMARY

Results-driven Salesforce Developer with 4+ years of experience delivering enterprise-scale CRM solutions across compliance, government, and service domains. Expertise in Apex, LWC/Aura, Integrations, and Vlocity/OmniStudio. Hands-on with Agentforce, Salesforce AI, and Azure DevOps CI/CD. Delivered solutions serving 500+ users with 40% process efficiency improvement.

## SKILLS

**Salesforce Platform:** Administration, Security Model, Profiles, Roles, Permission Sets, Sharing Rules, Flows, Validation Rules, Reports, Dashboards, Sales Cloud, Service Cloud, Experience Cloud

**Development:** Apex, Triggers, Test Classes (90%+ coverage), LWC, Aura, Visualforce, SOQL, SOSL, Batch/Queueable Apex, Future Methods, Scheduled Jobs, Custom Metadata, Platform Events

**Integrations & APIs:** REST, SOAP, Bulk, Streaming API, JSON/XML, Named Credentials, Auth. Providers, Connected Apps, Third-Party Integrations

**AI & Automation:** Agentforce, Einstein Features, Prompt Builder, Salesforce AI Associate, Process Automation

**Tools & DevOps:** Azure DevOps, Git, GitHub, VS Code, Salesforce CLI, SFDX, Workbench, Developer Console

**Other:** HTML, CSS, JavaScript, SQL, Vlocity/OmniStudio (OmniScripts, DataRaptors, FlexCards, Integration Procedures, Decision Matrices)

## EXPERIENCE

**Application Development Analyst** | Accenture, Gurugram | Dec 2024 – Present

- Promoted to Analyst for consistent high performance and technical leadership across enterprise Salesforce projects.
- Architected end-to-end Salesforce solutions; translated complex business requirements into scalable technical designs.
- Built Agentforce agent actions, Einstein features, and Prompt Builder workflows for AI-driven automation.
- Managed CI/CD pipelines via Azure DevOps (SFDX + Salesforce CLI) with zero rollback incidents.
- Mentored junior developers on Apex best practices, LWC patterns, and Salesforce security model.

**Application Development Associate** | Accenture, Gurugram | Sept 2022 – Nov 2024

- Delivered Salesforce Admin, Development, and Integrations across enterprise projects serving 500+ users.
- Developed Apex classes, triggers, and test classes (90%+ coverage); built reusable Lightning Web Components (LWC).
- Automated 15+ business processes using Salesforce Flows, reducing manual effort by 40% (~20 hrs/week saved).
- Engineered REST and SOAP integrations using Named Credentials and Connected Apps for 5+ third-party systems.
- Delivered end-to-end Vlocity/OmniStudio components — OmniScripts, DataRaptors, FlexCards, Integration Procedures.
- Leveraged Platform Events and Streaming API for real-time event-driven architecture across integrated systems.

**Student Intern** | TCS iON, Remote | July 2021 – Aug 2021

- Gained exposure to enterprise software workflows; developed foundational skills in problem-solving and professional communication.

## PROJECTS

**Custom Case Tracking Solution** – Sales Cloud / Service Cloud

- Built Apex Triggers for real-time Case status capture and Batch Apex for historical backfill; improved SLA tracking accuracy by 35%.
- Calculated status-wise Case duration via Apex & SOQL; built Reports and Dashboards reducing average case resolution time by 25%.

*Tech: Salesforce, Sales Cloud, Service Cloud, Apex, Batch Apex, SOQL, Reports, Dashboards*

**Liquor & Cannabis Board Compliance Solution** – Accenture

- Delivered full Salesforce compliance solution from scratch; worked with government stakeholders on custom objects, validation rules, and dashboards.
- Built LWC/Aura components, automated workflows via Flows (cutting processing time by 30%), and designed OmniStudio components.
- Implemented security model (profiles, roles, permission sets, FLS) and managed CI/CD deployments via Azure DevOps.

## CERTIFICATIONS

- Salesforce Certified Administrator
- Salesforce Certified Platform App Builder
- Salesforce Certified Platform Developer I
- Salesforce AI Associate

## AWARDS & RECOGNITION

- Accenture Pinnacle Award — Awarded for exceptional performance, problem-solving, and impactful delivery on high-priority Salesforce projects.
- Accenture Team ACE Award — Recognized for outstanding collaboration and team contribution in delivering critical Salesforce solutions under tight deadlines.

## EDUCATION

**B.Tech – Electronics and Communication Engineering** | MMMUT, Gorakhpur | June 2018 – July 2022 | CGPA: 7.41 / 10
